

Minor Flood Mitigation Works & Coastal Protection Scheme

Approved Projects 2017

Local Authority	Project Locations	Project Details	Approved Funding
Carlow County Council	Tinnahinch Quay	Raise level by 350mm for a distance of 80m downstream of Graignamanagh Bridge, provide demountable flood gate to isolate area from flooding from Mill Race, provide demountable flood gates to each of the properties and provide 350mm up stand to existing wall along Mill Race for 20m	€12,780 (additional funding)
	Burrin Bridge	Removal of deposited silt from a section of the river from Burrin Bridge to downstream to the confluence with the River Barrow	€20,700
Clare County Council	Cloughaninchy (coastal)	Appointment of consultants for detailed design and planning	€36,000
Cork County Council	St. Colum's Community Hall, Ballylickey	Construct flood defence wall around the community hall, including slot in flood barriers at access points	€18,000
	Ballinveltig, Curragheen Bridge	Replace the existing double culvert with one large culvert of equal width & height Construct an overflow culvert downstream & a land drain	€180,000
Galway County Council	Caheroyn Avenue, Athenry	Construct reinforced concrete wall, construct sump, remove existing fencing & walls along river & associated works	€40,500

	Lowville, Ahascragh	Construct three head walls & a new open drain, replace existing pipes, reinstate public roadway & private driveway & associated works	€63,000
	Ardacong, Tuam	To lay a pipe to connect to the storm damage 450mm diameter pipe across the road, with manhole, headwall & penstock control to provide a facility to release some flood waters from Ardacong turlough via gravity and/or pumping	€22,633
	Cooleran, Turloughmore	Dig 240m open drain (remove trees and ditch) Lay culvert & 90m of pipe to drain (900mm diameter) & associated works	€34,650
	Ardskea More, Corrofin	Construct a maximum 2m high earthen flood defence embankment along the bank of the Abbert River for approximate length of 200m	€28,890
	Corrabaun, New Inn, Ballinasloe	Clean existing field drains & roadside drains, install a 900mm pipe for approximately 30m & associated works	€18,000
	Ballyglass, Kilconnell, Ballinasloe	Clean existing field drains & roadside drains, replace existing pipes with 900mm diameter pipes & associated works	€45,450
	Atticora, Creagh, Ballinasloe	Install a new 450mm diameter surface water pipe for distance of 250m to an existing drain & associated works	€14,940
	Clooncallagh, Moylough, Ballinasloe	Construct new open drain for approximate distance of 80m, provide for 60m of 600mm diameter surface water pipeline & associated works	€14,940
	Caheroyn Drive, Athenry	Remove palisade fencing & existing stone wall, construct low stone wall & flood defence wall, construct sump & associated works	€36,000
	Tierney's Yard, Oughterard	Install 170m of 600mm diameter surface water drain, two manholes & a petrol interceptor	€27,000

	Pollnahallia, Turlough-Monaghan	To construct an earth embankment around the perimeter of the site	€5,940
	Lugbeg River, Cloughbrack, Clonbur	Maintenance of river banks and vegetation removal	€16,200
	Kilcloghans, Tuam	To construct a reinforced concrete flood defence wall, a 600mm pipe and flap valve to be fitted to the outfall of the existing open land drain to the Clare River	€3,650 (additional Funding)
	Graiguenavaddoge, Caltra	To construct two headwalls, clean/construct field drains, install a new 600mm diameter culvert & associated works	€14,940
	Ballinakill, Loughrea	To replace the existing culvert system with circa 90m of 750mm diameter storm water culvert & associated works	€45,000
Kerry County Council	Incheree	Construct new embankment of approximately 360m & access road, pipe open drains and culvert & associated works	€107,016
	Currow	Construct an upgraded reinforced flood defence embankment & associated works	€77,406
Laois County Council	River Nore- New Bridge to Knapton Bridge	Cleaning of archways at New Bridge on the L1659 at Cloncough, removal of debris & tree pruning	€55,373

Limerick City & County Council	Mona Lodge, Portcrusha	Carry out works to road and pavement, construct an embankment & associated works	€42,407
	Ballycullen, Askeaton	Removal of 2 concrete pipes & 1 concrete pipework with a replacement with new precast culverts over an 8m length with associated works on private grounds	€55,800
Longford County Council	Lisnacush, Lanesboro	Improve / drain the land drainage over 1.0kms, install a 900mm diameter pipe at 1-2 crossings to improve flow of water	€31,500
	Tenelick, Colehill	Improve / drain the land drainage over 1.5kms, install a 900mm diameter pipe at 1-2 crossings to improve flow of water	€19,800
	Lisduff, Lanesboro	Improve / drain the land drainage over 1 - 2kms, install a 900mm diameter pipe at main road crossing & next to dwelling to improve flow of water	€22,500
	Ratharney, Abbeyshrule	Improve / drain the land drainage over 1km, install a 900mm diameter pipe at main road crossing & next to dwelling to improve flow of water	€18,000
	Creenagh, Longford	Improve / drain the land drainage over 1km, clean out 1200mm diameter pipe at main road crossing & install a 900mm diameter pipe next to dwelling to improve flow of water	€40,500
	Mullagh, Longford	Clean out existing drain up to 1km, install a 900mm diameter pipe at road crossing next to dwelling to improve flow of water and prevent isolation	€18,000

Mayo County Council	Crossmolina Chapel Street	To reconstruct part of the existing stone wall	€12,207 (additional funding)
	Ballyhankeen, Claremorris	Deepen existing drains & excavate short length of new open drains & upgrade culverts	€56,765
	Bunadobber, Ballinrobe	Deepen & widen the existing open drain for 150m & extend it for 35m south westwards. Extend the road side embankment along the western side of the channel & associated works	€138,079
	Cong / Drumsheel	Installation of culverts, construct chambers & trash screens & channel improvement works (as outlined in report)	€324,819
Monaghan County Council	Legghimore-Creevy	To upsize existing 900mm pipe to new 2.4m x 1.2m box culvert	€58,500
Roscommon County Council	Mountcampbell, Jamestown/Drumsna	Remove trees from river & remove all timber debris below high water contour (approx. 10m) from river bank for a length of 700m	€40,500
	Correenbeg, Oldtown	Remove existing 2 x 900mm diameter pipe culverts & replace with 1 no. 1500 x 1800 box culvert, remove existing 2 x 900mm pipe culverts at "Cish" & replace with 2 x 1200mm diameter pipe culverts	€36,000
	Ballymurphy North	Install 400m of 900mm diameter pipework in hard shoulder of N61 from flood location to existing land drain. Clear 850m of land drain towards River Hind One road crossing required	€36,000

	Ballymurry South	Install 750m of 900mm diameter pipework 450m in hard shoulder of N61 from flood location & 350m inland connecting to existing land drain One road crossing required	€54,000
Tipperary County Council	Graigue, Clogheen	To intercept storm water, works to include the laying of a 450mm diameter corrippe, backfilling & road reinstatement works	€13,950
	Knockballiniry Goatenbridge	Excavation works, the laying of 450mm diameter corrippe, two road crossings & associated works	€32,625
	The Millrace Cahir	Clean & dredge the Milrace from the River Suir to the downstream weir, remove silt & vegetation	€35,550
	Mullinahone	Removal of debris from the channel and banks prior to building a foundation and retaining wall along the banks A design and method statement to be developed	€225,000
Waterford County Council	Ardmore Sea Wall (coastal)	Replacement of a 15m section of seawall, replace with a new single concrete wall and foundation structure	€99,000
